This contract relates to the mare specifically named and described above, which description the undersigned certifies to be accurate and complete. The contract is valid only to the mare and owner named herein and may not be transferred without the express written permission of JCS Veterinary Reproductive Services Ltd.

Neither JCS Veterinary Reproductive Services Ltd. nor it's members, agents or employees, shall be liable for any injury or disability or death suffered by any horse, from any cause whatsoever, while in the custody of JCS Veterinary Reproductive Services Ltd. and the undersigned specifically assents to such condition, and waives all and every claim for damage resulting from such injury or disability or death.

All breeding costs and related veterinary fees are payable by the owner of the mare direct to JCS Veterinary Services. All charges including **semen collection**, transportation, veterinary fees, blacksmith fees, board, etc. are to be paid monthly by the owner of the mare or foals on or before the 10<sup>th</sup> day of the following month. Service fees are due and payable when mare has a live foal, or is removed from the farm, or changes ownership, whichever comes first. All accounts for both stallion fees and board must be paid before the mare is removed from the farm. If mare fails to produce a live foal, the fee will be refunded provided claim therefore is made in writing within 30 days after mare was due to foal. A live foal is one that can stand and nurse.

JCS Veterinary Reproductive Services Ltd. reserves the right to test visiting mares for infection at the expense of the owner. No barren mare, maiden mare, or mare that foals under unusual circumstances will be bred to this stallion without these tests. JCS Veterinary Reproductive Services Ltd. reserves the right to refuse any mare deemed physically unfit for breeding.

All mares must be standardbreds and be registered with the U.S.T.A. or Standardbred Canada. No blind mares will be accepted. All mares entering JCS Veterinary Reproductive Services Ltd. must be accompanied by or have on file at JCS Veterinary Reproductive Services Ltd. a negative Coggins test.
